

Family fun day

RESIDENTIAL development Mandalay at Beveridge will host an inaugural family fun day this Saturday to mark the completion of the estate's first children's playground.

Plenty of family friendly activities will be on offer and the CFA will provide a complimentary coffee cart and sausage sizzle.

Special guest, five-time British Open golf champion Peter Thompson, will help tee off the celebrations, practising his swing on the first few completed holes of Mandalay's 18-hole Thompson Perrett golf course.

The playground is the first of many open parks and grass reserves that will make up about 40 per cent of the estate.

The family fun day is between noon-3pm at the sales office car park, Lithgow Avenue, Beveridge.
