

# Mandalay supports Rangers

MEMBERS of the Mitchell Shire Rangers Soccer Club have scored big this winter with the announcement of a major sponsorship deal with Mandalay at Beveridge.

The newly established residential development has signed up to support soccer in the burgeoning region and will continue to be the club's major sponsor for the next three years.

Mandalay is dedicated to being involved in the project for the long-term to ensure future families of the new community have access to local clubs such as the Mitchell Shire Rangers.

The sponsorship announcement is part of Mandalay at Beveridge's

ongoing pledge to build on existing community relations and support many local teams, clubs and schools.

The Mitchell Shire Rangers Soccer Club currently comprises eight junior teams and two senior teams, drawing members from Kilmore, Wallan, Craigieburn, Broadford, Wandong and Beveridge.

Mitchell Shire Rangers Soccer Club spokesman, Nick Atherden, said the sponsorship deal would prove invaluable over the coming years as membership continues to increase and the demand for supporting infrastructure grows.

"We are delighted at Mandalay's

decision to become a major sponsor of our club for the next three years.

"It shows a commitment not only to the soccer club but also to the community that Mandalay at Beveridge is serious about developing strong community bonds," he said.

"We are extremely excited with the direction this sponsorship will allow our club to take in the future and we are thrilled to have them on our team."

Mr Atherden said the club was excited at the many opportunities available to expand the social aspect of soccer in the Shire, which will be a new focus as the club moves forward.

"We have already commenced brainstorming ideas for fundraisers and club functions to hold at the amazing new facilities Mandalay will eventually offer.

"It has been evident from the get-go that Mandalay at Beveridge shares our vision which is a fantastic start to the sponsorship deal."

Mandalay at Beveridge is currently selling home-sites ranging from 476sqm to 731sqm and priced from \$137,500.
